AS THE WATER FLOWS A HISTORY OF NATURE AND PEOPLE

This loop takes place mainly in the forest and by the water. It starts with a well laid out and flat path along the Isère, then another one, in the undergrowth, along the numerous waterfalls which punctuate the tumultuous stream of the Morel until the thematic path where you can discover its history. At the end of the trail, there is a lookout point where you can admire the Morel waterfall, which falls from a height of over 80 m. As you continue, a beautiful panorama is offered to you on the village of Saint-Oyen and the lower Tarentaise, before plunging into the forest which leads to the site of the Bois Chaniet, during which it is possible to observe various animals, ungulates, birds or insects for the luckiest or the most observant. The relatively small difference in altitude allows beginners and children as well as experienced walkers to discover the various environments of an alpine valley.

THE BIG FOREST CONIFERS AND A VIEW OF THE LAUZIÈRES

The loop starts in the resort of Doucy, at the car park behind the Cap Vacances building. The first kilometre is on a relatively flat path, then a fairly steep descent begins to Crétet (1120m), through this coniferous forest. From here, take the forest road between the Grande Forêt and the Forêt du Cudray for 2.5km to the 992m mark. A steadily ascending path continues to the old road that linked the Doucy resort to Celliers and the Col de la Madeleine before the major landslide in 1997, and takes you back to the Doucy resort. GOOD TO KNOW!

CLASSIFICATION OF FURNISHED ACCOMMODATION

The classification of furnished tourist accommodation is a voluntary initiative on the part of the owner. They are inspected by an independent body and can be awarded from 1 to 5 stars, depending on the number of criteria validated. All the accommodation in this guide has been classified. The classification decision for each approved furnished accommodation must be displayed on the premises.

Some of the owners featured in this practical guide have both classified and unclassified furnished accommodation. These are indicated by an asterisk.

2024 TOURIST TAX

In addition to the price of your stay in the establishment of your choice, a tourist tax is levied by the accommodation provider on behalf of the Communauté de Communes des Vallées d'Aigueblanche and the Savoie Departmental Council. This tax depends on the category of accommodation and the number of people staying there. People under the age of 18 are exempt.

MAP OF THE VILLAGE

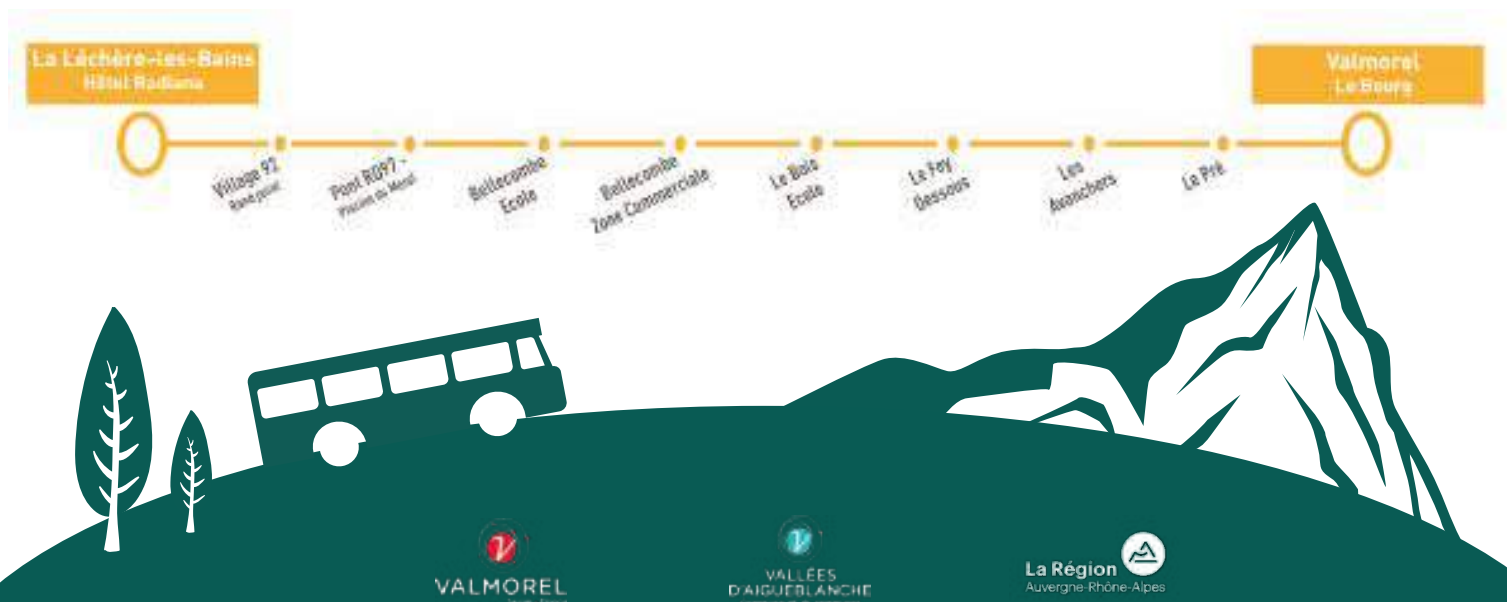

TAKE ADVANTAGE OF THE VALLÉE'BUS SHUTTLE SERVICE

During the **winter season 2023/2024 and summer 2024**, the Community of Communes of the Valleys of Aigueblanche renews the implementation of **pedestrian shuttles** between the spa of La Léchère-les-Bains and the resort of Valmorel. This one is equipped with a bicycle rack.

Free mountain bike shuttles are also available between Valmorel and Bellecombe and between Nâves and Bellecombe throughout the July-August 2024 summer season.

Easy, ecological and responsible transportation!

HOW TO COME TO LA LÉCHÈRE-LES-BAINS

ACCESS

The village of La Léchère-les-Bains is located just a few kilometres from the main shopping towns. Public transport is often limited outside the tourist season, so the car remains the most practical means of transport in our region!

Ask our receptionists for advice on how to prepare for your arrival.

BY CAR

Take the A43 freeway from Chambéry to **Albertville** - N212 from Annecy. Follow the expressway **N90** direction Tarentaise, **exit 37**.

BY TRAIN

Notre-Dame-de-Briançon train station (3km). Free shuttle buses between the train station and the spa resort on arrival dates. **Moûtiers TGV** train station (6km) served by direct trains.

BUS SNCF

From bus stations such as Albertville or Moûtiers, take the SNCF TER bus to the "Petit-Coeur La Léchère" bus stop (500m from the spa).

INTER-VILLAGE SHUTTLE

Free rotations between La Léchère-les-Bains and Aigueblanche. Runs from Monday to Saturday during the spa season.

FREE TRANSPORT SHUTTLE

Traditionally, at the beginning of May, the Commune of La Léchère organises a transport service from the station of Notre-Dame-de-Briançon to the spa resort of La Léchère on the weekends preceding each change of cure.

In 2024, a transporter will drive you free of charge to your accommodation:

- Saturday 4 and Sunday 5 May
- Saturday 25 and Sunday 26 May
- Saturday 15 and Sunday 16 June
- Saturday 6 and Sunday 4 July
- Saturday 27 and Sunday 28 July
- Saturday 17 and Sunday 18 August
- Saturday 7 and Sunday 8 September
- Saturday 28 and Sunday 29 September
- Saturday 19 and Sunday 20 October

The transporter is informed of the train schedules.

For your return, remember to register one week before your departure with the tourist office.
